

Husky Cardlock Network Construction Schedule

Rebranding of our Husky cardlock locations began on July 31 and is scheduled to be complete in November 2017.

The following is the construction schedule for the final week of construction. We thank all our commercial cardlock customers for their patience as we temporarily closed the cardlock fuel islands during construction activities and look forward to continuing to serve you with our newly expanded, coast-to-coast network.

Construction start date	Husky location	GPS coordinates	Nearest cardlock fuel location alternative	GPS coordinates
COMPLETE	Regina Bulk Plant 210 McDonald ST N Regina, SK	LAT 50.4794 LONG -104.574
