Twice as many places to earn

Husky has expanded to serve you better. We have combined our Travel Centre and Cardlock Network with Esso to create a single truck transport fuel network of more than 150 cardlock sites. With locations spanning coast-to-coast, you'll have more chances to earn myHusky Rewards on the road.

Every time you make a pit stop for fuel — either at a Husky or Esso cardlock — use your HuskyPRO and myHusky Rewards cards together to earn points.
